

Ever Wanted to Own a Pub?

Then Buy Shares in the Railway Inn and own a part of it (and get tax relief at the same time!)

The Railway Inn at Norton Bridge is currently vacant and for sale. The Railway Inn Community Pub Ltd is raising capital through a share sale to buy it and run it as a community pub which will have a tea room, meeting rooms and will host community events

Shares are £1.00 with a minimum purchase of 250.

By being a shareholder you will be a co-owner of a real community asset. Be part of saving it.

To buy shares or to find out more, go to www.railwayinn.org to read our share document and our business plan

Alternatively, you can contact us by email at contact@railwayinn.org

Don't want to buy shares? We are also running a crowdfunding campaign for donations.
